The Practice of Youth Engagement

This book shares essential lessons, powerful examples and deep insight from The Freechild Project. It deeply explores the meaning, activities and outcomes of youth engagement, featuring strong tips and essential lessons for the reader. Any parent, youth educator, social worker, teacher, or other adult who wants to effectively work with young people can benefit from this book.

(294 pgs, 2014) \$29.95 at <http://amzn.to/1OeG6qh>

Facing Adulthood

Summarizing an almost endless list of downfalls in modern society's approach to teaching, parenting, and treating children and youth, this book offers new ways adults can stop their negative attitudes and behaviors towards young people. Providing a succinct analysis, this book examines almost every section of society and highlights a pathway toward the future.

(190 pgs, 2015) \$19.95 at <http://amzn.to/2176YBN>

The Freechild Project Youth-Driven Programming Guide

Injecting the energy, excitement and learning from a Freechild workshop into your mind, this book provides powerful models and lessons. Nonprofits, government agencies and other organizations can learn the advantages, the tips, and trends from this book.

(58 pgs, 2015) <http://amzn.to/1Qk04Bv>

FREE EBOOKS
